

## Add Ons

At Huddlbox, we're always looking for ways to stay ahead of the curve in audio-visual technology. That's why we're excited to announce the latest upgrade options for the HUDDLBOX.

### RECHARGEABLE BATTERY

For greater mobility and convenience, we've added a high-capacity lithium battery that provides cordless power for up to 4 hours.

### TOUCHSCREEN MONITOR

We've introduced touchscreen monitor options for those who want a more interactive and hands-on experiences with the HUDDLBOX.

### WIRELESS MICROPHONE

Introducing our new headworn wireless microphone, designed for hands-free convenience and crystal-clear audio for coaching on the go.

These updates are just the beginning of our commitment to keeping the HUDDLBOX on the cutting edge of technology for our customers. See inside for more details.
