

A woman in a white sweater and blue jeans stands next to a red mobile display unit labeled "WESTSIDE MUSTANGS". The unit features a large screen showing a periodic table of elements with various chemical symbols and a grid of colorful icons. She is addressing a group of students sitting on wooden benches in an outdoor courtyard. The background shows a modern building with large windows and a paved walkway. The text "INSTRUCTION ON THE GO" is overlaid in large, bold, white letters on the right side of the image.
